To our Band Family,

The Edison High School Band Parent Organization is a group of parents committed to enhancing the experience of all our band programs and color guard students. We need donations for **our 9th Annual Tricky Tray Fundraiser to be held on May 13th, 2022.**

Our fundraisers support **all the band programs**, including indoor percussion and indoor guard. We encourage all parents to get involved and support their children. The kids are dedicated and hardworking and most of all they deserve the support of their families.

We are asking each family to make a donation of a gift basket. You can either prepare a basket or send in items and we will make it for you. In lieu of a basket, you can make a monetary donation of \$25.00 which will be used to purchase the big-ticket items that make the fundraiser a success!

We are asking that all donations be received by our Monthly Band Parent meeting May 5th, 2022 or you can have your child place in the band room mailbox or give to Mr. Ciappina. Please complete the form below and attach to your donation. We would also ask that you visit local business or send letters to companies to solicit additional donations. For more information please visit our website **ehsbands.org** and our Facebook page **“Edison High School Band Parents”**. We have flyers, donation request letters, gift basket ideas and sign-ups posted.

Thank you for your support and again remember, this is for our children! Their success is enhanced by our support! We have monthly band parent meetings, generally on the 1st Thursday of the month, please join us!
