To Whom It May Concern:

This letter is to request a donation for the Edison High School Band Program for our Annual Festival of Marching event scheduled for Saturday, September 10, 2022.

The 2020 Edison High School Marching Band set school and township records, as the students retained their Sixth Consecutive first-place State Championship title with a win at the USBands Group IV Open State Championships. The show "FUSION" earned a score of 96.050; winning Caption Awards for Best Music, Best Visual, Best Overall Effect and Best Percussion. We also earned a first-place win at the USBands Regional Competition and were the top band from New Jersey for all group sizes. At the USBands National Championship competition held at MetLife Stadium in November 2019, the Edison High School Marching Eagles took first-place with a score of 97.588; winning the Caption Award for Best Visual.

The Edison High School music program includes many other successful competitive groups such as Jazz Ensemble, Wind Ensemble, Indoor Percussion and Winter Color Guard. Our primary focus is to ensure a successful year for the students and enrich the music program at EHS.

Your donation, whatever that might be, will be greatly appreciated. As is customary, your business will be listed as a sponsor on our website and in the Festival of Marching Program.

Please visit the EHS Band website at: <http://www.ehsbands.org/our-sponsors/>
