

Operating a successful high school marching band program involves a tremendous amount of volunteer and financial support. That is where the Edison High School Band Parents Organization comes in. Here is a list of SOME of the marching band expenses that your donations will help the band to cover:

- Drill Design of our Field Show
- Percussion and Color Guard Instructors that assist with teaching our students
- Color Guard Choreography for our Field Show
- Gas for the busses that takes the band to the competitions and shows
- Drinks and snacks for our students at various events

As mentioned above, these are only some of the expenses that the marching band incurs throughout the season. This does not even address our other ensembles such as the Symphonic & Jazz programs and the Indoor Percussion and Winter Colorguard groups. These groups are just as vital to the success of the Edison High School Band Program. Please consider taking out an ad in this year's booklet and fill out the form inside to become an Edison High School Band Sponsor. This is a way you can help support the students to achieve a complete musical education and experience.
