Dear Parent/ Guardian:

Your child is going on a trip for the **Marching Band- 2024 Band Camp** from **August 23rd to August 27th**. A school nurse will not be accompanying the trip; therefore, additional health forms are required for medication administration.

In order for the student to receive any form of medication during the trip, which includes over the counter medications (Advil, Tylenol, Tums, and Benadryl etc.) and physician prescribed medications the enclosed forms ***HS form #7 Medication Administration and HS Form #7B Self-Administration of Medication*** must be completed, signed and stamped by you and your doctor for each medication and returned to the trip administrator with the trip form ***HS form #28***. The forms must be fully completed and include **ONLY** the dates of the trip **August 23rd to August 27th**.

If the forms are not completed and returned to the sponsoring teacher (Mr. Dillman) by **August 1st**, your child cannot take his/her medication on the trip unless a parent/ guardian attends the event.

Any student that has a current self-administer order; Asthma Action Plan or a Severe Allergy Plan (epi-pen) filed with the nurse for the school year does not have to submit the above forms but if the student has an order for BENADRYL the MD must complete a #7B Self administration form for that particular medication. Sorry for the inconvenience and please contact me with any questions.

Thank you for your cooperation and understanding in this matter.

Sincerely,

Laura Matonis, RN, BSN, CSN
